Though our ceremonies are virtual this year, regalia traditions are beloved, timeless and span decades — and pandemics. Though you may not see them today, our graduates have earned the right to don regalia and adornments for the rest of their lives that reflect the dedication they have shown to their field and the love they have for their alma mater.

The custom of recognizing the accomplishments of scholars through distinctive dress, color and ceremony began in the Middle Ages and has been adopted by various academic institutions throughout the world. American academic regalia developed from the English traditions that originated at the University of Cambridge and the University of Oxford and has been in continuous use in this country since Colonial times.

Institutions of higher learning in the United States have adopted a system for identifying different academic degrees by use of specific gowns, hoods and colors. The baccalaureate (bachelor’s) gown is identified by long pointed sleeves. The master’s gown has a very long sleeve, closed at the bottom, and the wearer’s arm is placed through an opening in the front of the sleeve. Master’s gowns also are distinguished by green panels down the front of the gown. Doctoral gowns are distinguished by velvet panels around the neck and down the front of the gown. Three horizontal velvet bars on each sleeve also may mark the doctorate.

The colorful hoods worn by master’s and doctoral graduates represent the specific degree earned and the degree granting institution. Hoods for UNT are distinguished by a kelly-green-and-white chevron lining. The outside edge of the hood is bordered in a band of velvet that signifies the degree received. Among the discipline colors are:

- White: Arts, Letters and Humanities
  - Forest Green: Audiology
  - Light Brown/Drab: Business
  - Light Blue: Education
  - Brown: Fine Arts
  - Crimson/Red: Journalism
- Pink: Music
- Dark Blue: Philosophy
- Peacock Blue: Public Administration
- Gold: Science
- Citron: Social Work

The regalia variety seen in the faculty procession represents each university’s own distinguishing customs. Faculty members’ regalia represent the institutions from which they graduated, thus accounting for differences in regalia.

College honor societies recognize academic excellence and promote scholarship, ethics and professionalism. Membership in an honor society bestows honor, recognition and a lifetime distinction. UNT has many interdisciplinary and departmental honor societies, each of which wears a distinctive ribbon, pin, stole, cord or pendant.

Music by: Julia Smith       Lyrics by: Charles Langford
Singing glory to the green,
Singing glory to the white,
For we know our university is striving for the right;
Down the corridor of years,
We’ll forget the joys and tears,
But North Texas, North Texas, we love.

NOTE: We encourage you to celebrate together while we are apart and stand with us, wherever you are, during the performances of “The Star-Spangled Banner” and “Glory to the Green and White.”
Congratulations Class of 2020!

On behalf of our entire UNT family, I want to congratulate you on your graduation from the University of North Texas.

Exhibiting resolution, flexibility and resolve in the face of uncertainty, the UNT Class of 2020 is more tenacious than any graduating cohort I have known. Your final months on campus were unexpectedly cut short, leaving you without the opportunity to say goodbye to your friends or thank your mentors. But you persevered to finish strong and complete your mission of earning a UNT degree.

Life will continue to present challenges, but with your determined attitude and UNT degree, I know you will continue to achieve great success. There is nothing more transformational than a college education. It changes who you are and what you imagine to be possible. It also changes the people around you as they see what you can accomplish. I experienced that in my own life as a first-generation college student who earned a Ph.D., and it still defines me today.

As a UNT graduate, you have the skills to go anywhere and accomplish great things. With critical thinking skills, a caring spirit, the agility to adapt and a curiosity for lifelong learning, you are prepared for success in today’s fast-paced, evolving workforce. Your creativity, perseverance and UNT education have equipped you to soar high in everything you do.

You have joined our global alumni network, which is 434,000 members strong and growing. You are part of the UNT family, and we will always have your back — just like your family, friends, mentors and peers who have helped you get to where you are today. We are proud of your accomplishments and know your time at UNT was only the beginning. You will go on to achieve great things.

Remember that no matter how far you go or how much time passes, you’ll always be a part of our Mean Green Family — forever proud, forever united.

UNT Proud,

Neal Smatresk
President
University of North Texas
