Though some of our ceremonies look different this year, regalia traditions are beloved, timeless and span decades — and pandemics. Our graduates have earned the right to don regalia and adornments for the rest of their lives that reflect the dedication they have shown to their field and the love they have for their alma mater.

The custom of recognizing the accomplishments of scholars through distinctive dress, color and ceremony began in the Middle Ages and has been adopted by various academic institutions throughout the world. American academic regalia developed from the English traditions that originated at the University of Cambridge and the University of Oxford and has been in continuous use in this country since Colonial times.

Institutions of higher learning in the United States have adopted a system for identifying different academic degrees by use of specific gowns, hoods and colors. The baccalaureate (bachelor’s) gown is identified by long pointed sleeves. The master's gown has a very long sleeve, closed at the bottom, and the wearer’s arm is placed through an opening in the front of the sleeve. Master's gowns also are distinguished by green panels down the front of the gown. Doctoral gowns are distinguished by velvet panels around the neck and down the front of the gown. Three horizontal velvet bars on each sleeve also may mark the doctorate.

The colorful hoods worn by master’s and doctoral graduates represent the specific degree earned and the degree-granting institution. Hoods for UNT are distinguished by a kelly-green-and-white chevron lining. The outside edge of the hood is bordered in a band of velvet that signifies the degree received. Among the discipline colors are:

- White: Arts, Letters and Humanities
  - Forest Green: Audiology
- Light Brown/Drab: Business
  - Light Blue: Education
  - Brown: Fine Arts
- Crimson/Red: Journalism
- Pink: Music
- Dark Blue: Philosophy
- Peacock Blue: Public Administration
- Gold: Science
- Citron: Social Work

The regalia variety worn by the deans represents each university's own distinguishing customs. Though the president and his cabinet don UNT regalia for these ceremonies, faculty members' regalia represent the institutions from which they graduated.

College honor societies recognize academic excellence and promote scholarship, ethics and professionalism. Membership in an honor society bestows honor, recognition and a lifetime distinction. UNT has many interdisciplinary and departmental honor societies, each of which wears a distinctive ribbon, pin, stole, cord or pendant.

Music by: Julia Smith       Lyrics by: Charles Langford
Singing glory to the green,
Singing glory to the white,
For we know our university
is striving for the right;
Down the corridor of years,
We’ll forget the joys and tears,
But North Texas, North Texas, we love.

NOTE: Please stand, as you are able, during The Star-Spangled Banner and Glory to the Green and White.
Congratulations, Class of 2021!

On behalf of our entire UNT family, I commend your resilience and determination that has brought you to this monumental goal — your graduation from the University of North Texas.

What a year you’ve experienced, and how those experiences have shaped you. You demonstrated resolution, flexibility, and tenacity in the face of uncertainty. Your resolve to finish the degree you started, in spite of the great challenges you’ve faced, will serve you well throughout the rest of your life.

Your dedication and your UNT degree will help you continue to achieve success even as life presents you with more obstacles. Nothing transforms a person like a college education. It fundamentally changes who you are, giving you the confidence to imagine new possibilities and the means to turn those dreams into reality. It also transforms the people closest to you as they see the incredible opportunities unlocked by education. I experienced this firsthand, as a first-generation college student who earned a Ph.D., which still defines me to this day.

As a UNT graduate, you have honed the skills you need to go anywhere and achieve anything. You’ve developed critical thinking, nurtured a caring spirit, grown the agility to adapt, and fostered a curiosity for lifelong learning. You are ready to succeed in today’s rapidly evolving workforce and make a difference in the world. Your creativity, diligence, and UNT education have given you the wings to soar high in everything you do.

Our global alumni network of 448,000 is here to support you. Look for ways to remain engaged with your UNT family through the UNT Alumni Association and participate in networking events. Just like your family, friends, mentors, and peers who have helped you get to where you are today, we will always be here to support you.

Your time at UNT is only the beginning of your story, and as you begin the next chapter, be proud of all you have accomplished. No matter where life takes you next, you will always be a part of our Mean Green Family — forever proud, forever united.

UNT Proud,

Neal Smatresk
